## Church News and Events

## November 22, 2015

The International Day of Giving is an annual giving campaign supported by the International Churches of Christ and friends of HOPE worldwide.

Funding from the International Day of Giving provides the foundation and resources to help more than 1.5 million people annually and strengthens vital programs in over 70 countries through a global network of love and compassion. Your general fund support through the International Day of Giving enables HOPE worldwide to deliver quality outcomes for the poor, sick and suffering around the world.

Everyone please bring an unwrapped gift or gift card to donate 😊

Sunday, December 13<sup>th</sup> will be an amazing Christmas service with a toy drive and everyone who has chosen a family from the Giving Tree can bring those gifts this day for distribution.
